

Tri-County Lake Administrative Commission Navigation Committee

Grounding Incident Report

The Navigation Committee of the Tri-County Lake Administrative Commission was established to assist in making determinations and recommendations that will help provide for safe boating on Smith Mountain Lake.

In an effort to have factual information in making these decisions, we request that anyone who has run their boat aground, in any area of Smith Mountain Lake, complete this form. Please note that providing your name is optional.

This data will be used to help determine where additional navigation markers may need to be installed. Although it is not necessary to provide all information, please complete as much of the form as possible.

1. Date and time of incident: _____
2. Location of Grounding: *(Location can be latitude/longitude or estimated distance and direction from a point, channel marker or other landmark)* Example: 50 yards southeast of BE-2

3. Draft of grounded vessel: _____

4. Lake Level *(If known or approximate)*: _____

Submitted by *(optional)*: _____

Additional Comments: _____

Completed forms may be submitted to:
Tri-County Lake Administrative Commission
P.O. Box 55
Moneta, Virginia 24121
Email: tlac@sml.us.com
Telephone: (540) 721-4400
Fax: (540) 721-4450

Thank you for assisting in our efforts to maintain safety on Smith Mountain Lake.
